MoodleMoot Global Mobile App

All registered attendees will receive an invitation to download and access the mobile app for MoodleMoot Global 2022.

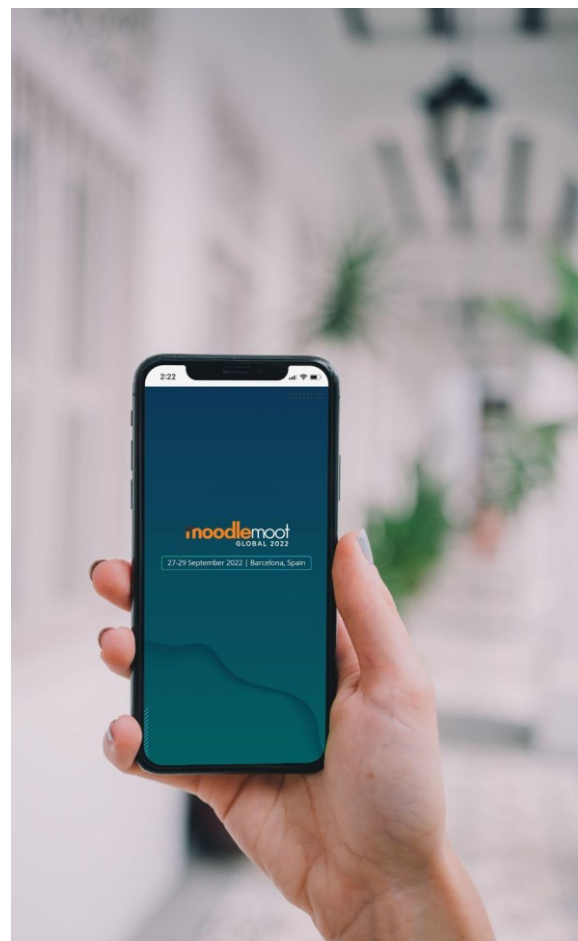

The mobile app will be available prior, during and a month after the event.

By accessing the event app, attendees will be able to:

- View the entire event schedule.
- Create a personal profile* and select interests related to event sessions.
- View the sessions you are scheduled to present at or chair.
- Build a personalised schedule of sessions to attend.
- View the list of presenters and sponsors.
- Connect with other attendees.

*Please only share information on your profile that you are happy to share with all participants at the Moot, including sponsors.

Wifi will be available to all attendees at the conference venue.

Install the mobile app

Install the app

Those with an Android or Apple device can install the event app.

Those accessing on other devices can go to the mobile app website in your web browser.

https://moodlemootglobal2022.vcd-eventsforce.com/native_app/store_url

		
Apple iOS Users	Android Users	Blackberry, Windows phone or others
		Go to https://moodlemootglobal2022.vcd-eventsforce.com/

Reset your password

Open your email to find the **password reset link**.

- If the email is not in your inbox **check your SPAM folder**

Your password has been reset. Please follow this link to log into your account and change your password:

<https://zerista.zerista.com/conference/home?jwt=>

If you have any further difficulties, please feel free to contact us.

Thank you,

-Admin

Reset your password

Open the link with your web browser or the app*, and **set a new password**.

*If you can't reset your password on the app, try the website instead.

A screenshot of a mobile browser displaying a password reset form. The address bar shows the URL `zerista.zerista.com/user/si`. The page content includes the heading "SET A PASSWORD" and the instruction "Just enter a password and you'll be set". Below this, there are two input fields: "Enter a password" and "Retype Password". A note below the fields states "Must be 6+ characters and must not be email". A teal "SUBMIT" button is positioned at the bottom of the form.

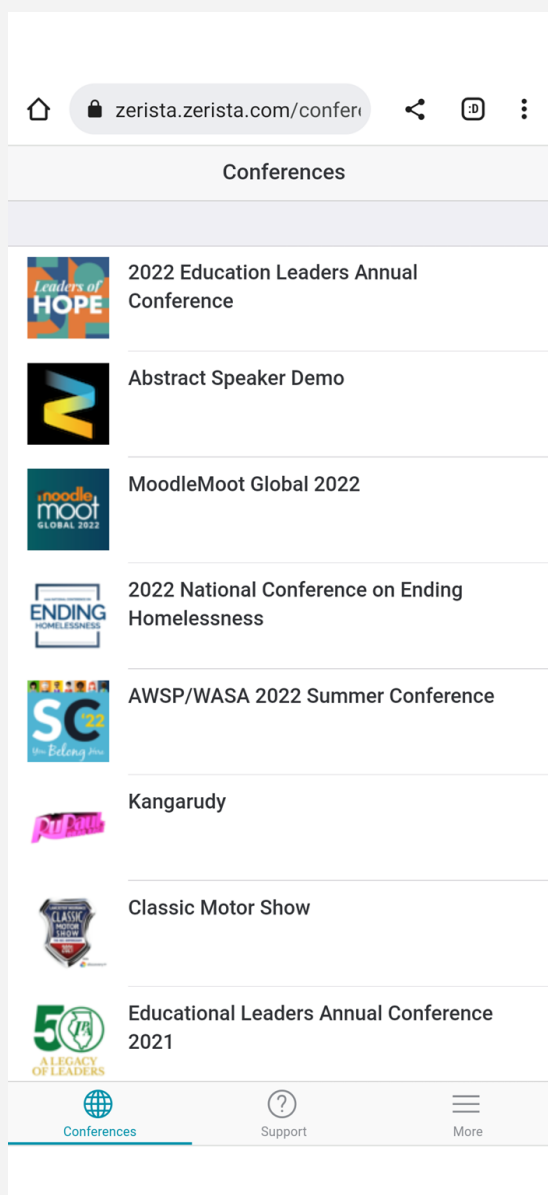

A screenshot of a mobile browser displaying a success message. The address bar shows the URL `zerista.zerista.com`. A notification banner at the top reads "SUCCESS" and "Your password has been successfully updated". At the bottom, there is a navigation bar with three icons: a globe for "Conferences", a question mark for "Support", and a hamburger menu for "More".

Choose MoodleMoot Global

Accept the cookies.

On the **Conferences** tab, click **MoodleMoot Global 2022**.

Enter your email address

Enter the **email you used to register** and click [**CONTINUE**].

Accept cookies again.

Login

Enter your password, select '**Remember me**' and click [**Login**].

If you are using the browser you can then click [**Get the App**] or below you will find the option to stay in the browser (mobile site).

A screenshot of a mobile browser showing the login page for MOODLEMOT GLOBAL 2022. The browser address bar shows 'l2022.vcd-eventsforce.com'. The page has a 'CANCEL' button and the event name 'MOODLEMOT GLOBAL 2022'. There is a blurred input field for the username, followed by a 'Password' label and another blurred input field. A 'Remember Me' checkbox is checked. Below this is a consent message: 'By selecting this box, you are consenting to a performance & functionality cookie being stored in your browser.' At the bottom is a large blue 'Login' button and a link that says 'Need help logging in?'.

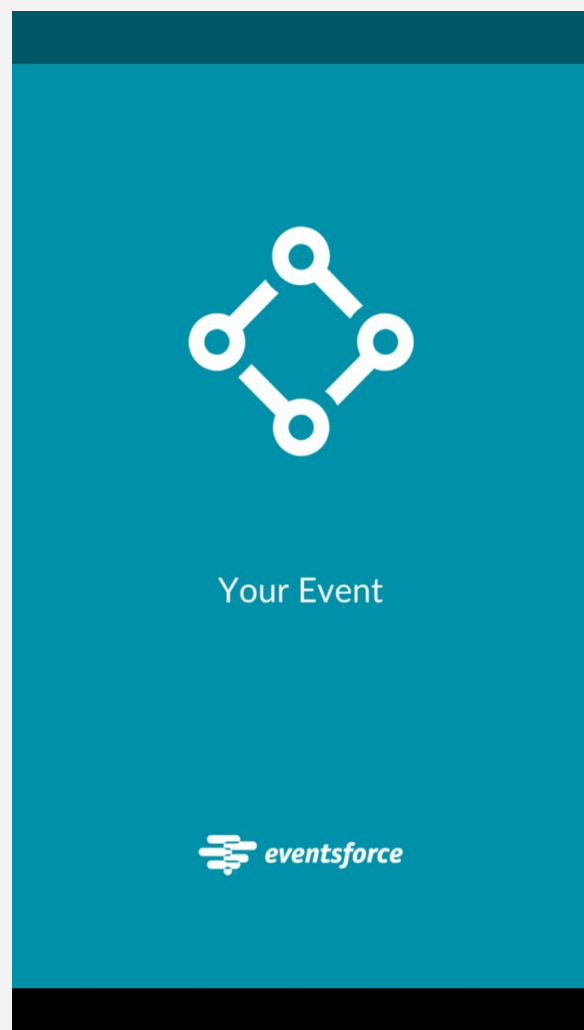

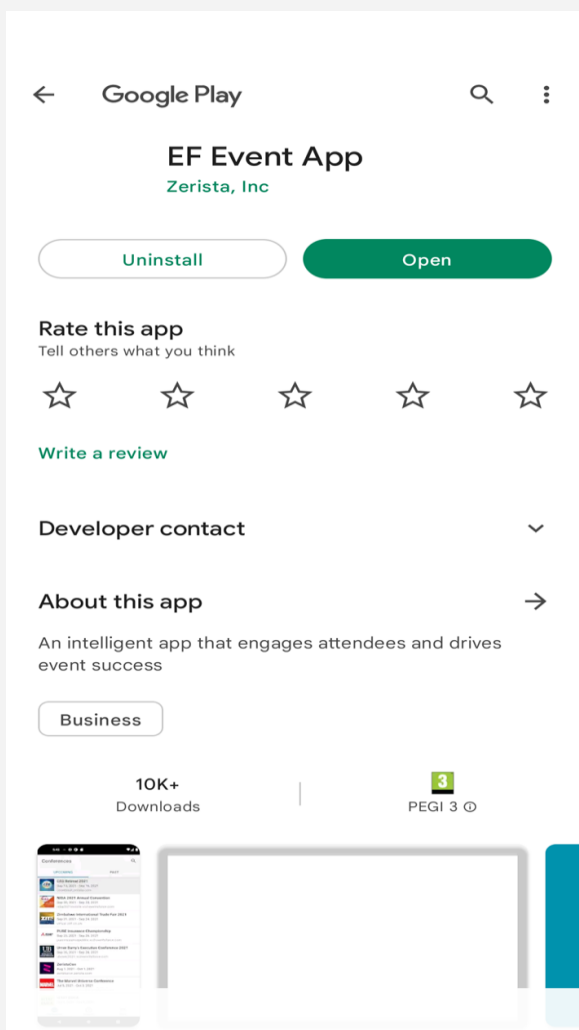

A screenshot of a mobile browser showing the success page for MOODLEMOT GLOBAL 2022. The browser address bar shows 'l2022.vcd-eventsforce.com'. A 'SUCCESS' notification banner at the top says 'Welcome back,'. Below the banner is a blue square icon with a white network diagram. The main heading is 'Check out the app!'. There are three feature highlights: 'Create a Personalized Schedule and access it anywhere' with a calendar icon, 'See Who's Going to pinpoint who you want to meet' with a group of people icon, and 'Schedule Meetings with attendees and exhibitors' with a checkmark icon. At the bottom is a large blue 'Get the App' button and a link that says 'No thanks, take me to the mobile site.'.

Install & open the app

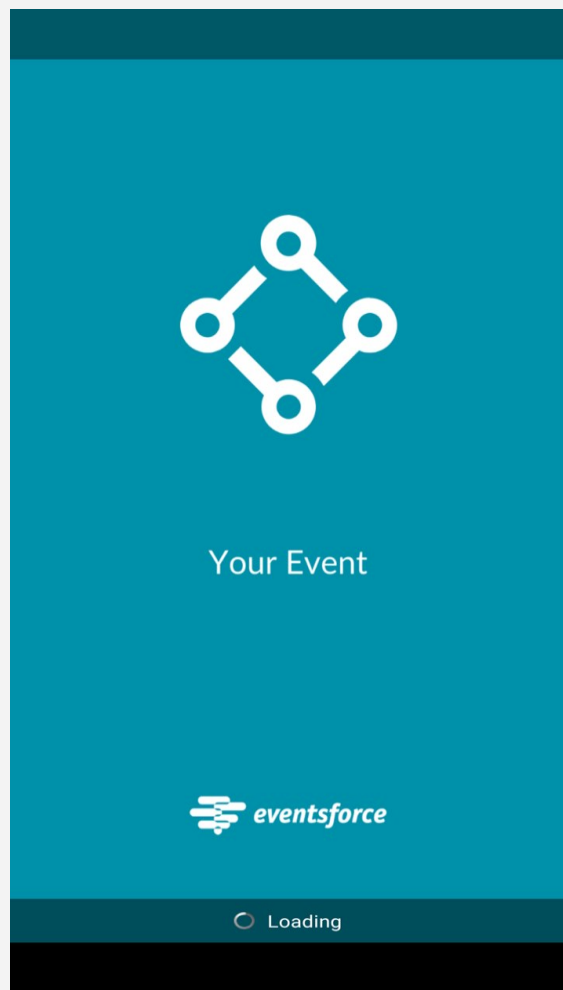

If you clicked [**Get the App**], install the app.

Then open the app.

Open the event

In the **UPCOMING** tab click 'MoodleMoot Global 2022'.

Update your profile

You can now add any information you want to share with all attendees and sponsors of the event, as well as your interests, so that the application can suggest suitable sessions for you.
